

NEW ONLINE VSP MEMBER VISION CARD

If you would like an easy way to manage your vision benefits, VSP's new online Member Vision Card is the solution for you! The card has a summary of your personal vision benefits information and will help your doctor know you are a VSP member.

The VSP Member Vision Card is convenient but is not required for you to receive service. For your personalized card, simply log into the member site on vsp.com, click the Member Vision Card link on the left, and print your card. While you are there you can also review your full benefits information.

Questions about the Member Vision Card? Contact VSP Customer Service at **800.877.7195**. We would be glad to talk with

you. Sincerely,

VSP Vision Care
